WHEREAS, Southern by application to the Interstate Commerce Commission (the "Commission"), sought and obtained an Order of the Commission dated August 27, 1980 authorizing the assumption of obligation and liability in respect of not exceeding \$24,000,000 principal amount of the Certificates pursuant to the terms of the Agreement by endorsing on each of the Certificates its unconditional guaranty of the prompt payment, when due, of the principal thereof and the interest thereon, all for the purpose of obtaining for itself, its successors and assigns, the possession and use of and ultimately the title to the Equipment; and

WHEREAS, the Assignee, an "Affiliate" of Southern as that term is defined in the Agreement, desires to acquire from Southern, and Southern is willing to assign to the Assignee, all of the right, title and interest of Southern in and to the Agreement insofar as they relate to that portion of the Equipment hereinafter described, but no further and without releasing Southern from any of its obligations thereunder; and
